As used herein, a “**Repayment Event**” means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder’s behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any of the Group Entities.

(v) *Blue Sky Qualification.* The Company will use its best efforts, in cooperation with the Underwriters, to qualify the Securities for offering and sale under the applicable securities laws of such states and other jurisdictions (domestic or foreign) as the Representatives may designate and to maintain such qualifications in effect so long as required to complete the distribution of the Securities; *provided, however*, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject.

(w) *Absence of Proceedings.* There is no action, suit, proceeding, inquiry or investigation before or brought by any Governmental Entity now pending or, to the knowledge of the Company, threatened, against or affecting the Company or any of the Group Entities, which would result in a Material Adverse Effect or materially and adversely affect the consummation of the transactions contemplated in the Transaction Documents or the performance by the Company of its obligations hereunder and thereunder; and the aggregate of all pending legal or governmental proceedings to which the Company or any of the Group Entities is a party or of which any of their respective properties or assets is the subject which are not described in the Registration Statement, the Time of Sale Information and the Prospectus, including ordinary routine litigation incidental to the business, would not result in a Material Adverse Effect.

(x) *Operating and Financial Review and Prospect.* The section entitled “Operating and Financial Review and Prospect” (the “**MD&A**”) included or incorporated by reference in the Registration Statement, the Time of Sale Information and the Prospectus truly, accurately and completely in all material respects describes: (i) accounting policies which the Company believes are the most important in the portrayal of the Company’s financial condition and results of operations and which require management’s most difficult, subjective or complex judgments (“**Critical Accounting Policies**”); (ii) judgments and uncertainties affecting the application of Critical Accounting Policies; and (iii) the likelihood that materially different amounts would be reported under different conditions or using different assumptions; and the Company’s board of directors and management have reviewed and agreed with the selection, application and disclosure of Critical Accounting Policies and have consulted with the Company’s legal counsel and independent public accountants with regard to such disclosure. The MD&A accurately and fully describes: (A) all material trends, demands, commitments, events, uncertainties and risks, and the potential effects thereof, that the Company believes would materially affect liquidity, financial condition or results of operations of the Company, and are reasonably likely to occur; and (B) all off-balance sheet transactions, arrangements, and obligations, including, without limitation, relationships with unconsolidated entities that are contractually limited to narrow activities that facilitate the transfer of or access to assets by the Company or the Group Entities, such as structured finance entities and special purpose entities (collectively, “**off-balance sheet arrangements**”) that are reasonably likely to have a material effect on the liquidity of the Company or the Group Entities, or the availability thereof or the requirements of the Company or the Group Entities for capital resources.

(y) *Insurance.* The Company and the Group Entities maintain insurance covering their respective properties, operations, personnel and businesses as the Company reasonably deems adequate; such insurance insures against such losses and risks to an extent which is adequate in accordance with customary industry practice to protect the Company and the Group Entities and their respective businesses; and all such insurance is in full force. The Company has no reason to believe that it or any Group Entities will not be able to (i) renew its existing insurance coverage as and when such policies expire or (ii) obtain comparable coverage from similar institutions as may be necessary or appropriate to conduct its business as now conducted and at a cost that would not result in a Material Adverse Effect. There is no material insurance claim made by or against the Company or any of the Group Entities, pending, outstanding, or, to the best of the Company’s knowledge, threatened, and no facts or circumstances exist which would reasonably be expected to give rise to any such claim.

The Company will use its reasonable best efforts to have the Securities admitted for trading, and maintain the listing of the Securities, on the SGX-ST. If the Company is unable to maintain such listing having used its reasonable best efforts, it being understood that reasonable best efforts does not include the public disclosure of sensitive information that the Company otherwise does not and is not required to publicly disclose, the Company agrees to use its reasonable best efforts to obtain and maintain a listing of the Securities on a comparable stock exchange to be selected after consultation with the Representatives.

Moreover, all payments to be made by the Company hereunder will be made without withholding or deduction for or on account of any present or future taxes, duties or governmental charges whatsoever unless the Company is compelled by law to deduct or withhold such taxes, duties or charges. In that event, the Company will pay such additional amounts as may be necessary in order that the net amounts received after such withholding or deduction will equal the amounts that would have been received if no withholding or deduction had been made; *provided, however*, that no such additional amounts shall be paid by the Company in respect of taxes, duties or charges imposed on an Underwriter, as a result of any failure by such Underwriter to provide, upon a written request, any form or certificate that such Underwriter is legally able to provide but only to the extent that such form or certificate is required under applicable laws and regulations or by applicable governmental authorities as a precondition to relief or exemption from such taxes, duties, or charges.

(p) *Additional Documents.* At the Closing Date, counsel for the Underwriters shall have been furnished with such documents and opinions as such counsel may reasonably require for the purpose of enabling such counsel to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained.

(q) *Termination.* If any condition specified in this Section 5 shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by the Representatives by notice to the Company at any time at or prior to the Closing Date, and such termination shall be without liability of any party to any other party except as provided in Section 10 and except for the Sections 2, 6, 7, 15, 16 and 17 that shall survive any such termination and remain in full force and effect.

6. Indemnification and Contribution.

(a) *Indemnification of the Underwriters.* The Company agrees to indemnify and hold harmless each Underwriter, its affiliates (as such term is defined in Rule 501(b) under the Securities Act), its selling agents and each person, if any, who controls any Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, or arising out of any untrue statement or alleged untrue statement of a material fact included in any Preliminary Prospectus, any Issuer Free Writing Prospectus, the Time of Sale Information, any "issuer information" filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or the Prospectus (or any amendment or supplement thereto), or caused by any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; *provided* that (subject to Section 6(d) below) any such settlement is effected with the written consent of the Company; and

(iii) against any and all expense whatsoever, as reasonably incurred (including the fees and disbursements of counsel chosen by the Representatives), in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in the Registration Statement (or any amendment thereto), including the Rule 430 Information, any Preliminary Prospectus, any Issuer Free Writing Prospectus, the Time of Sale Information or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with the Underwriter Information.

(b) *Indemnification of the Company, Directors and Officers.* Each Underwriter severally agrees to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection 6(a) of this Section, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), any Preliminary Prospectus, any Issuer Free Writing Prospectus, the Time of Sale Information or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with any information relating to such Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use therein, it being understood and agreed that the only such information consists of (i) the names of the Underwriters on the bottom of the front and back cover pages of the Prospectus and in the table under the first paragraph of text under the caption “Underwriting” on page S-49 of the Prospectus; (ii) the eleventh paragraph under the caption “Underwriting” on page S-50 of the Prospectus concerning the addresses of the Representatives; (iii) the fifth sentence in the eighth paragraph of text under the caption “Underwriting” on page S-50 of the Prospectus concerning the Underwriters’ market-making activities; and (iv) the first five sentences in the ninth paragraph of text under the caption “Underwriting” on page S-50 of the Prospectus concerning over-allotment transactions, stabilizing transactions, syndicate covering transactions and penalty bids (collectively, the “**Underwriter Information**”).

(c) *Actions against Parties; Notification.* Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. In the case of parties indemnified pursuant to Section 6(a) above, counsel to the indemnified parties shall be selected by the Representatives, and, in the case of parties indemnified pursuant to Section 6(b) above, counsel to the indemnified parties shall be selected by the Company. An indemnifying party may participate at its own expense in the defense of any such action; *provided, however*, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 6 (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) *Settlement without Consent if Failure to Reimburse.* If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 6(a)(ii) effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

(e) *Contribution.* If the indemnification provided for in this Section 6 is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to herein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and of the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company, on the one hand, and the total underwriting discount received by the Underwriters, on the other hand, in each case as set forth on the cover of the Prospectus, bear to the aggregate public offering price of the Securities as set forth on the cover of the Prospectus.

The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 6(e) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 6(e). The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 6 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 6(e), no Underwriter shall be required to contribute any amount in excess of the underwriting commissions received by such Underwriter in connection with the Securities underwritten by it and distributed to the public.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 6(e), each person, if any, who controls an Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act and each Underwriter's affiliates and selling agents shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Company. The Underwriters' respective obligations to contribute pursuant to this Section 6(e) are several in proportion to the number of Securities set forth opposite their respective names in Schedule 1 hereto and not joint.

(f) *Non-Exclusive Remedies.* The remedies provided for in this Section 6 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

7. Representations, Warranties and Agreements to Survive Delivery. All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company submitted pursuant hereto, shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of any Underwriter or its affiliates or selling agents, any person controlling any Underwriter, its officers or directors or any person controlling the Company and (ii) delivery of and payment for the Securities.

8. Termination. The Representatives may terminate this Agreement, by notice to the Company, at any time at or prior to the Closing Date if (i) there has been, in the judgment of the Representatives, since the time of execution of this Agreement or since the respective dates as of which information is given in the Registration Statement, the Time of Sale Information or the Prospectus, any Material Adverse Effect; (ii) there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in the United States, the PRC, Hong Kong, the Cayman Islands or international political, financial or economic conditions, in each case the effect of which is such as to make it, in the judgment of the Representatives, impracticable or inadvisable to proceed with the completion of the offering or to enforce contracts for the sale of the Securities; (iii) trading in any securities of the Company has been suspended or materially limited by the Commission, the Nasdaq Global Select Market (“**Nasdaq**”) or the SGX-ST; (iv) a suspension or material limitation in trading in securities generally on the Nasdaq or the New York Stock Exchange has occurred, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by such system or by order of the Commission, FINRA or any other regulatory authority; (v) there has occurred a material disruption in commercial banking or securities settlement or clearance services in the United States, the United Kingdom, Hong Kong, the PRC or the Cayman Islands; or (vi) a general moratorium on commercial banking activities in New York, London, Hong Kong, the PRC, or the Cayman Islands has been declared by the relevant authorities.

If this Agreement is terminated pursuant to this Section, such termination shall be without liability of any party to any other party except as provided in Section 10 hereof, and provided further that Sections 2, 6, 7, 15, 16 and 17 shall survive such termination and remain in full force and effect.

9. Defaulting Underwriter. If one or more of the Underwriters shall fail on the Closing Date to purchase the Securities which it or they are obligated to purchase under this Agreement (the “**Defaulted Securities**”), the Representatives shall have the right, within 36 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representatives shall not have completed such arrangements within such 36-hour period, then:

(a) if the number of Defaulted Securities does not exceed 10% of the number of Securities to be purchased on such date, each of the non-defaulting Underwriters shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters, or

(b) if the number of Defaulted Securities exceeds 10% of the number of Securities to be purchased on such date, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter.

No action taken pursuant to this Section shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement, the Representatives shall have the right to postpone the Closing Date for a period not exceeding seven days in order to effect any required changes in the Registration Statement, the Time of Sale Information or the Prospectus or in any other documents or arrangements. As used herein, the term “**Underwriter**” includes any person substituted for an Underwriter under this Section 9.

10. Payment of Expenses. The Company will pay or cause to be paid all expenses incident to the performance of its obligations under this Agreement, including (i) the preparation, printing and filing of the Registration Statement (including financial statements and exhibits) as originally filed and each amendment thereto, (ii) the preparation, printing and delivery to the Underwriters of copies of the Preliminary Prospectus, any Issuer Free Writing Prospectus, any Time of Sale Information and the Prospectus (including all exhibits, amendments and supplements thereto) and any costs associated with electronic delivery of any of the foregoing by the Underwriters to investors, (iii) the costs of reproducing and distributing each of the Transaction Documents, (iv) the preparation, issuance and delivery of the certificates for the Securities to the Underwriters, including any transfer taxes and any stamp or other duties payable upon the sale, issuance or delivery of the Securities to the Underwriters and the initial sale of the Securities by the Underwriters as contemplated by this Agreement, (v) the fees and disbursements of the Company’s counsels, accountants and other advisors, (vi) the fees and expenses of the Trustee and any paying agent (including related fees and expenses of any counsel to such parties), (vii) all expenses and application fees incurred in connection with the approval of the Securities for book-entry transfer by DTC, (viii) any fees charged by rating agencies for rating the Securities, (ix) the costs and expenses of the Company relating to any “road show” activities for the Securities, including without limitation, expenses associated with the preparation or dissemination of any electronic road show and travel and lodging expenses of the representatives, employees and officers of the Company, (x) the qualification of the Securities under securities laws in accordance with the provisions of Section 2(v) hereof, including filing fees, and (xi) the fees and expenses incurred in connection with the listing of the Securities on the SGX-ST. For the avoidance of doubt, the Company will not pay any costs and expenses of the Underwriters, including any fees, disbursements or expenses of any counsel to the Underwriters or any travel and lodging expenses of the representatives and officers of the Underwriters in the process of and in connection with the offering contemplated by this Agreement.

11. No Advisory or Fiduciary Relationship. The Company acknowledges and agrees that (i) each Underwriter is acting solely as a principal and is not the agent or fiduciary of, the Company, any Group Entities or their respective securityholders, creditors, employees or any other party, with respect to the offering of Securities contemplated hereby (including in connection with determining the terms of the offering of the Securities), (ii) no Underwriter has assumed or will assume an advisory or fiduciary responsibility in favor of the Company or any of the Group Entities with respect to the offering of the Securities or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company or any Group Entities on other matters) and no Underwriter has any obligation to the Company or any Group Entities with respect to the offering of the Securities except the obligations expressly set forth in this Agreement, (iii) the Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and the Group Entities and (iv) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering of the Securities and each of the Company and the Group Entities has consulted its own respective legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

12. Authority of the Representatives. Any action by the Underwriters hereunder may be taken by the Representatives on behalf of the Underwriters, and any such action taken by the Representatives shall be binding upon the Underwriters.

13. Notices. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted and confirmed by any standard form of telecommunication. Notices to the Underwriters shall be given to the Representatives at:

Any legal suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated hereby (“**Related Proceedings**”) shall be instituted in (i) the federal courts of the United States of America located in the City and County of New York, Borough of Manhattan or (ii) the courts of the State of New York located in the City and County of New York, Borough of Manhattan (collectively, the “**Specified Courts**”), and each party irrevocably submits to the exclusive jurisdiction (except for proceedings instituted in regard to the enforcement of a judgment of any such court (a “**Related Judgment**”), as to which such jurisdiction is non-exclusive) of such courts in any such suit, action or proceeding. * A securities rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn at any time. Each rating should be evaluated independently of any other rating.

We expect that delivery of the notes will be made against payment thereof on or about the settlement date specified in this communication, which will be the fifth business day following the date of pricing of the notes (this settlement cycle being referred to as “T+5”). Under Rule 15c6-1 of the U.S. Securities and Exchange Commission (the “SEC”) under the Securities Exchange Act of 1934, trades in the secondary market generally are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade notes on the date of pricing or the next two succeeding business day will be required, by virtue of the fact that the notes initially will settle in T+5, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of notes who wish to trade notes on the date of pricing or the next two succeeding business day should consult their own advisor.

We estimate that the net proceeds (after underwriting discounts and commissions and estimated net offering expenses) from the sale of the Notes will be approximately US\$[●] million. We plan to use the net proceeds from the sale of the Notes for general corporate purposes and refinancing.

The pricing term sheets should be read in conjunction with the prospectus dated [●], 20[●], as supplemented by the preliminary prospectus supplement dated [●], 20[●] (the “Prospectus Supplement”), relating to this offering.

The Issuer has filed a registration statement (including a prospectus) with the SEC for the offering to which this communication relates. Before you invest, you should read the prospectus in that registration statement and other documents the Issuer has filed with the SEC for more complete information about the Issuer and this offering. You may get these documents for free by visiting EDGAR on the SEC Web site at www.sec.gov. Alternatively, the Issuer, any underwriter or any dealer participating in the offering will arrange to send you the prospectus and prospectus supplement if you request it by calling [●].

Section 309B(1) Notification—In connection with Section 309B of the Securities and Futures Act, Chapter 389 of Singapore, as modified or amended from time to time (the “SFA”) and the Securities and

Futures (Capital Markets Products) Regulations 2018 (the “CMP Regulations 2018”), the Issuer has determined, and hereby notifies all persons (including relevant persons (as defined in Section 309A(1) of the SFA)) that the Notes are prescribed capital markets products (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).
