EXPLANATORY NOTE

This Amendment No. 2 to Schedule 13D (this “Amendment No. 2”) is being jointly filed by JD.com, Inc. (“JD”), JD.com Investment Limited (“JD Investment”) and JD.com Global Investment Limited (“JD Global,” together with JD and JD Investment, the “Reporting Persons”) as an amendment to that certain Schedule 13D filed by the Reporting Persons with the Securities and Exchange Commission (the “SEC”) on February 16, 2015, as amended by Amendment No.1 to Schedule 13D filed with the SEC on June 21, 2016 (collectively, the “Original Schedule 13D,” together with this Amendment No. 2, the “Statement”). Except as amended and supplemented herein, the information set forth in the Original Schedule 13D remains unchanged. Capitalized terms used herein without definition have meanings assigned thereto in the Original Schedule 13D.

Item 1. Security and Issuer.

Item 1 is amended and restated as follows.

This Statement relates to the ordinary shares, par value $0.00004 per share (the “Ordinary Shares”), of Bitauto Holdings Limited, a company organized under the laws of the Cayman Islands (the “Issuer”), whose principal executive offices are located at New Century Hotel Office Tower, 10/F, No. 6 South Capital Stadium Road, Beijing, 100044, The People’s Republic of China.

The Issuer’s American depositary shares (the “ADSs”), each representing one Ordinary Share, are listed on the New York Stock Exchange under the symbol “BITA.”

Item 2. Identity and Background.

Item 2 is amended by replacing the Schedule A to the Original Schedule 13D with the Schedule A hereto and supplemented by adding the following:

During the last five years, none of the Reporting Persons and, to the best of their knowledge, any of the persons listed on Schedule A hereto has been: (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 4. Purpose of Transaction.

Item 4 is amended and restated as follows.

The Ordinary Shares and ADSs currently beneficially owned by the Reporting Persons were originally acquired for investment purposes.

Proposal Letter

On September 12, 2019, Tencent Holdings Limited, for itself or on behalf of its affiliates, and Hammer Capital Opportunities Fund L.P., acting through its general partner Hammer Capital Opportunities General Partner, (collectively, the “Buyer Consortium”) submitted a preliminary non-binding proposal letter (the “Proposal Letter”) to the Issuer’s board of directors to acquire (the “Acquisition”) all of the outstanding Ordinary Shares and ADSs, which would result in the Issuer becoming a private, wholly owned subsidiary of such entities (the “Merger”). The Proposal Letter stated that in connection with the Merger, each outstanding Ordinary Share and ADS (other than those owned by members of the Buyer Consortium or their affiliates and those owned by any existing shareholder of the Issuer which will be rolled over for the purpose of funding the Merger) will be converted into the right to receive a purchase price of US$16 per Ordinary Share or per ADS (the “Merger Consideration”). The Proposal Letter further stated that the Proposal Letter constitutes only a preliminary indication of interest by the Buyer Consortium and does not constitute any binding offer or agreement with respect to the Acquisition. For a detailed description of the Proposal Letter and the Acquisition, see the Form 6-K filed by the Issuer on September 13, 2019, including the exhibits thereto.
Support Agreement

On September 12, 2019, JD Global (the “Supporting Shareholder”), which is not part of the Buyer Consortium, entered into a support agreement with the members of the Buyer Consortium (the “Support Agreement”), pursuant to which the Supporting Shareholder has agreed to, subject to the terms, conditions and exceptions set forth therein and among other covenants and obligations, vote all the Ordinary Shares covered by the Support Agreement (collectively, the “Covered Shares”) in favor of the Merger. The Supporting Shareholder has also agreed during the term of the Support Agreement not to, directly or indirectly, (i) make any Acquisition Proposal (as defined in the Support Agreement) or join with, or invite, any other person to be involved in the making of an Acquisition Proposal, (ii) provide any information to any third party with a view to such third party or any other person pursuing or considering to pursue an Acquisition Proposal, (iii) finance or offer to finance any Acquisition Proposal, including by offering any equity or debt financing, or contribution of any Covered Shares or provision of a voting agreement, in support of any Acquisition Proposal, or (iv) solicit, encourage or facilitate, or induce or enter into any negotiation, discussion, agreement or understanding (whether or not in writing) with any person (other than members of the Buyer Consortium and their Affiliates) regarding, an Acquisition Proposal.

The Support Agreement will terminate upon the earliest of (i) the consummation of the Merger, (ii) the date on which the Buyer Consortium withdraws the Proposal Letter, (iii) the date on which any amendment of the Proposal Letter or any definitive merger agreement is entered into that would reduce the consideration to be paid by the Buyer Consortium and/or their affiliates, (iv) any material breach by the Buyer Consortium that is not cured within ten business days, (v) the date that is nine months after the date of the Support Agreement if the definitive merger agreement has not been executed by then, or (vi) the termination of any definitive merger agreement by and among the Buyer Consortium, or their affiliates, and the Issuer other than termination by the Buyer Consortium as a result of any breach by the Issuer or by the Issuer in connection with a Recommendation Change (as defined in the Support Agreement) or any other similar event as may be provided in the definitive merger agreement.

In addition, the Support Agreement provides that, at least ten business days prior to the execution and delivery of any definitive merger agreement, the Supporting Shareholder and the Buyer Consortium shall agree upon the number of Ordinary Shares held by the Supporting Shareholder that shall be exchanged for shares of a new company to be incorporated by the Buyer Consortium in connection with the Merger in lieu of the right to receive the Merger Consideration.

Deed of Undertaking

Concurrently with the execution of the Support Agreement, JD Financial Investment Limited (“JD Financial”), an indirect wholly owned subsidiary of JD, entered into a deed of irrevocable undertaking with the members of the Buyer Consortium (the “Deed of Undertaking”), which states that upon completion of the Acquisition, the Buyer Consortium and its affiliates will, through the Issuer, acquire control over Yixin Group Limited (“Yixin”), a controlled subsidiary of the Issuer which is listed on the Hong Kong Stock Exchange, and will be required to make an unconditional mandatory general offer to all the shareholders and other securities holders of Yixin for all the issued shares and other securities of Yixin (the “Offer”). JD Financial irrevocably and unconditionally undertakes in the Deed of Undertaking that, subject to the terms, conditions and exceptions set forth therein and among other covenants and obligations, (i) it will not accept the Offer in respect of any shares it owns or may acquire thereafter in the Company (the “Offeree Shares”) or make any Offeree Shares available for acceptance under the Offer, provided that the offer price per share for the Offer does not exceed HK$2.00, (ii) during the Relevant Period (as defined in the Deed of Undertaking), it will not dispose of any Offeree Shares, accept or approve any offer, merger or business combination in respect of the Offeree Shares, enter into any agreement in respect of any rights attached to any Offeree Shares, acquire or deal in any shares of Yixin, (iii) subject to completion of the Offer and other conditions, it and its close associates will not acquire any shares or voting rights in Yixin if Yixin is already in breach of the minimum public float requirement under relevant listing rules or such acquisition will result in a breach by Yixin of the minimum public float requirement under the relevant listing rules.
The descriptions of the Proposal Letter, the Support Agreement and the Deed of Undertaking set forth above in this Item 4 do not purport to be complete and are qualified in their entirety by reference to the full text of the Proposal Letter, the Support Agreement and the Deed of Undertaking, which have been filed as Exhibits 99.7, 99.8 and 99.9 hereto respectively and are incorporated herein by this reference.

Except as indicated above, the Reporting Persons currently do not have any plans or proposals that relate to or would result in any matters listed in Items 4(a)-(j) of Schedule 13D. Consummation of the Acquisition could result in one or more of the actions specified in Items 4(a)-(j) of Schedule 13D, including the acquisition or disposition of securities of the Issuer, a merger or other extraordinary transaction involving the Issuer, and a change to the board of directors of the Issuer, and a change in the Issuer’s memorandum and articles of association to reflect that the Issuer would become a privately held company. In addition, subject to the terms of the Support Agreement and the Deed of Undertaking, the Reporting Persons reserve their right to change their plans and intentions in connection with any of the actions discussed in this item 4. Any action taken by the Reporting Persons may be effected at any time and from time to time, subject to any applicable limitations imposed by any applicable laws, the Support Agreement or the Deed of Undertaking. No assurance can be given that any proposal, any definitive agreement or any transaction relating to the Acquisition will be entered into or be consummated.

**OTHER COVENANTS**

**Section 5.1 Prohibition on Transfer.**

(a) Subject to the terms of this Agreement, each Shareholder covenants and agrees not to Transfer any of its Covered Shares, or any voting right or power (including whether such right or power is granted by proxy or otherwise) or economic interest therein, unless such Transfer (i) is a Permitted Transfer, or (ii) has been previously approved in writing by each member of the Buyer Consortium. Any attempted Transfer of shares or any interest therein, in violation of this Section 5.1 shall be null and void.
(b) With respect to each Shareholder, this Agreement and the obligations hereunder shall attach to the Covered Shares and shall be binding upon any person to which legal or Beneficial Ownership shall pass, whether by operation of Law or otherwise, including, the Shareholder’s successors or assigns. No Shareholder may request that the Company or the Company’s depositary bank register the Transfer of (book-entry or otherwise) any or all of the Covered Shares (whether represented by a certificate or uncertificated), unless such Transfer is made in compliance with this Agreement. Notwithstanding any Transfer of Covered Shares, the transferor shall remain liable for the performance of all of the obligations of the Shareholder under this Agreement. The provisions of this Section 5.1(b) shall not apply to any Rule 10b5-1 Disposed Shares in the case of Shareholder A.

Section 5.2 Additional Shares. Each Shareholder covenants and agrees to notify each member of the Buyer Consortium in writing of the number of Additional Shares Beneficial Ownership in which is acquired by each Shareholder after the date hereof as soon as practicable, but in no event later than five (5) Business Days, after such acquisition. Any such Additional Shares shall automatically become subject to the terms of this Agreement and shall constitute Covered Shares for all purposes of this Agreement.

Section 5.3 Share Dividends, etc. In the event of a reclassification, recapitalization, reorganization, share split (including a reverse share split) or combination, exchange or readjustment of shares, change in ratio of ADSs to Ordinary Shares, or other similar transaction, or if any share dividend, subdivision or distribution (including any dividend or distribution of securities convertible into or exchangeable for Ordinary Shares) is declared, in each case affecting the Covered Shares, the term “Covered Shares” shall be deemed to refer to and include such shares as well as all such share dividends and distributions and any securities of the Company into which or for which any or all of such shares may be changed or exchanged or which are received in such transaction.

Section 5.4 No Inconsistent Agreements. Without the prior written consent of each member of the Buyer Consortium, no Shareholder shall (a) enter into any contract or other instrument, option or other agreement (except this Agreement) with respect to, or consent to, a Transfer of, any of the Covered Shares, Beneficial Ownership thereof or any other interest therein, (b) create or permit to exist any Lien that could prevent such Shareholder from voting the Covered Shares in accordance with this Agreement or from complying in all material respects with the other obligations under this Agreement, other than any restrictions imposed by applicable Law on such Covered Shares, (c) enter into any voting or similar agreement (except this Agreement) with respect to the Covered Shares or grant any proxy, consent or power of attorney with respect to any of the Covered Shares (other than as contemplated by Section 2.1(a) hereof) or (d) take any action, directly or indirectly, that would or would reasonably be expected to (i) result in a breach hereof, (ii) make any representation or warranty of the Shareholder set forth in Article IV untrue or incorrect in any material respect or (iii) prevent, impede or, in any material respect, interfere with, delay or adversely affect the performance by such Shareholder of its obligations under, or compliance by such Shareholder with the provisions of, this Agreement.

Section 5.5 Public Disclosure. None of the parties hereto shall issue any press release or make any other public statement with respect to the transactions contemplated by this Agreement without the prior written consent of each other party hereto, except as such release or statement may be required by applicable Law or the rules and regulations of any national securities exchange or Governmental Authority of competent jurisdiction. Notwithstanding the above, each Shareholder hereby agrees to permit the Company to publish and disclose in the proxy statement relating to the authorization and approval of the Acquisition (including any amendment or supplement thereto and all documents filed with the SEC in accordance therewith) such Shareholder’s identity and Beneficial Ownership of its Covered Shares and the nature of such Shareholder’s commitments, arrangements and/or understandings contemplated by this Agreement.
Section 5.6  Notification.

(a) In the event that each of Tencent and Hammer decides to terminate or rescind the Proposal or discontinue its pursuit of the Acquisition (a “Withdrawal Decision”), the Buyer Consortium shall promptly act in good faith to jointly inform the Company of, or publicly disclose, such fact.

(b) Subject to the provisions of any confidentiality or non-disclosure agreement to be entered into between members of the Buyer Consortium or their Affiliates, on the one hand, and the Company, on the other hand, the Buyer Consortium shall act in good faith to keep the Shareholders reasonably informed of the status of negotiations with the Company relating to the Acquisition; provided that each of the Shareholders hereby agrees that it shall, and shall cause its respective Affiliates and its and their respective Representatives to, hold in strict confidence any information related to the Proposal, the Merger Agreement, the Acquisition or any other transactions contemplated under the Merger Agreement (including the status of negotiations with respect to any of the foregoing) provided to such Shareholder by or on behalf of members of the Buyer Consortium, their Affiliates or any Representative of any of the foregoing except to the extent any such information (i) is previously known by such Shareholder on a non-confidential basis from a source (other than members of the Buyer Consortium, their Affiliates or any Representative of any of the foregoing) which, to the knowledge of such Shareholder, is not restricted from making such disclosure, (ii) is in the public domain through no breach of this Agreement by such Shareholder, any Affiliate of such Shareholder or any of their respective Representatives or (iii) is required under applicable law or legal process to be disclosed by such Shareholder, provided that, if disclosure is required by law, to the extent permissible, such Shareholder provides advance written notice of such proposed disclosure to each member of the Buyer Consortium and, at the request of any member of the Buyer Consortium, assists in seeking a protective order or other appropriate remedy to limit or minimize such disclosure.

Section 5.7  Merger Agreement. Each member of the Buyer Consortium hereby confirms to the Shareholders its intention, in its capacity as a member of the Buyer Consortium, to explore and pursue the Acquisition and that it will, in its capacity as a member of the Buyer Consortium, use its commercially reasonable efforts (with respect to any action or step within its control) and negotiate in good faith with the Company to enter into a Merger Agreement as promptly as reasonably practicable, until a Withdrawal Decision or any other termination of this Agreement. For the avoidance of doubt, nothing contained in this Section 5.7 or any other provision of this Agreement shall constitute a commitment or binding obligation on the part of any member of the Buyer Consortium or any of its Affiliates to enter into a Merger Agreement, agree to any particular terms of a Merger Agreement or Acquisition, or consummate the Acquisition, and each of the parties to this Agreement hereby agrees and acknowledges that each member of the Buyer Consortium may terminate its participation in the consortium with respect to the Proposal or discontinue its pursuit of the Acquisition at any time in its sole and absolute discretion (such member, a “Terminating member”), which shall not constitute a breach of this Section 5.7 or any other provision of this Agreement. Notwithstanding anything provided to the contrary herein, in the event there occurs a Terminating Member, (i) all references to the “Buyer Consortium” in this Agreement shall be deemed as a reference to “the Buyer Consortium excluding the Terminating Member”, and (ii) such event shall not be deemed to discharge or otherwise affect the obligations of any Shareholder owed to any other member of the Buyer Consortium under this Agreement, in each case unless each member of the Buyer Consortium has become a Terminating Member. In addition, each Shareholder agrees and acknowledges that the Buyer Consortium may decide at any time to include other persons in the consortium of investors owning or controlling the buyer entities that shall enter into the Merger Agreement and complete the Acquisition, and the inclusion of any such other person shall not be deemed to discharge or otherwise affect the obligations of any Shareholder owed to any member of the Buyer Consortium hereunder.
ARTICLE VI
MISCELLANEOUS

Section 6.1 **Interpretation.** Unless the express context otherwise requires:

(a) The words “hereof,” “herein” and “herewith” and words of similar import shall, unless otherwise stated, be construed to refer to this Agreement as a whole and not to any particular provision of this Agreement, and article, section, paragraph, exhibit and schedule references are to the articles, sections, paragraphs, exhibits and schedules of this Agreement unless otherwise specified. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” All terms defined in this Agreement shall have the defined meanings contained herein when used in any certificate or other document made or delivered pursuant hereto unless otherwise defined therein. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms and to the masculine as well as to the feminine and neuter genders of such terms. Any agreement, instrument or statute defined or referred to herein or in any agreement or instrument that is referred to herein means such agreement, instrument or statute as from time to time, amended, qualified or supplemented, including (in the case of agreements and instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and all attachments thereto and instruments incorporated therein. References to a person are also to its permitted successors and assigns.

(b) The captions, headings and arrangements used in this Agreement are for convenience only and do not in any way affect, limit, amplify or modify the terms and provisions hereof.

(c) With regard to all dates and time periods set forth or referred to in this Agreement, time is of the essence.

Section 6.2 **Termination.** As between members of the Buyer Consortium, on the one hand, and a Shareholder, on the other hand, this Agreement and all obligations hereunder (other than as set forth in the following sentence) shall automatically terminate on the earliest to occur of (i) the consummation of the Acquisition, (ii) the date on which the Buyer Consortium informs the Company in a joint written notice, or publicly discloses, that it has made a Withdrawal Decision, (iii) the date on which (x) the Buyer Consortium publicly discloses an amendment to the Proposal or (y) the Company, on the one hand, and members of the Buyer Consortium and/or their Affiliates, on the other hand, execute and deliver to each other a definitive merger agreement in relation to an acquisition or an amendment to the Merger Agreement, in each case, pursuant to which (A) the per Ordinary Share purchase price or per ADS purchase price to be paid by the Buyer Consortium and/or their Affiliates would be less than the price per Ordinary Share and price per ADS, respectively, set forth in the original Proposal, except to the extent such lower price shall have been agreed in writing by such Shareholder, and/or (B) the Buyer Consortium and/or their Affiliates will acquire less than all of the outstanding Ordinary Shares and ADSs not already Beneficially Owned by the Buyer Consortium, their Affiliates, any other person that shall have a right to hold an equity stake in Holdco or such other person’s Affiliates, except for any exceptions or modifications agreed in writing by such Shareholder, (iv) any material breach by members of the Buyer Consortium of any of their covenants and agreements set forth in Section 5.6 and Section 5.7 that is not cured by the Buyer Consortium within ten (10) Business Days following receipt of written notice of such breach from a Shareholder (provided that, if any member of the Buyer Consortium disputes such breach and/or their cure of such breach, this Agreement shall not terminate unless and until such breach and failure to cure have been determined in accordance with Section 6.3), (v) the date that is nine (9) months after the date of this Agreement if, as of such date, the Company, on the one hand, and the Buyer Consortium and/or one or more of their Affiliates, on the other hand, have not executed and delivered to each other the Merger Agreement, (vi) the written agreement of each member of the Buyer Consortium, on the one hand, and such Shareholder, on the other hand, (vii) the Proposal has not been submitted to the Board two (2) calendar days after the date hereof, and (viii) the termination of the Merger Agreement in accordance with its terms other than such termination (A) by the Buyer Consortium and/or their Affiliates as a result of any breach by any party (other than the Buyer Consortium and its Affiliates) of any terms of the Merger Agreement, and (B) by the Company in connection with a Recommendation Change or any other similar event as may be provided in the Merger Agreement which permit the Company to terminate the Merger Agreement. Upon termination of this Agreement, the rights and obligations of members of the Buyer Consortium, on the one hand, and such Shareholder, on the other hand, will terminate and become of no further force or effect without further action by either of them except for the provisions of Article VI, which will survive such termination indefinitely. For the avoidance of doubt, the termination of this Agreement shall not relieve any party of liability for any breach prior to such termination.
Section 6.3  Governing Law and Venue.

(a) This Agreement shall be interpreted, construed and governed by and in accordance with the Laws of the State of New York without regard to the conflicts of law principles thereof. Notwithstanding the foregoing, the following matters arising out of or relating to this Agreement shall be construed, performed and enforced in accordance with the Laws of the Cayman Islands in respect of which the parties hereto hereby irrevocably submit to the non-exclusive jurisdiction of the courts of the Cayman Islands: the Acquisition, the rights provided in Section 238 of the Companies Law (2018 Revision) of the Cayman Islands, the fiduciary or other duties of the board of directors of the Company and the internal corporate affairs of the Company.

(b) Subject to the exception for jurisdiction of the courts of the Cayman Islands in Section 6.3(a), any Actions arising out of or in any way relating to this Agreement shall be submitted to the Hong Kong International Arbitration Centre (“HKIAC”) and resolved in accordance with the Arbitration Rules of HKIAC in force at the relevant time and as may be amended by this Section 6.3 (the “Rules”). The place of arbitration shall be Hong Kong. The official language of the arbitration shall be English and the tribunal shall consist of three arbitrators (each, an “Arbitrator”). The claimant(s), irrespective of number, shall nominate jointly one Arbitrator; the respondent(s), irrespective of number, shall nominate jointly one Arbitrator; and a third Arbitrator will be nominated jointly by the first two Arbitrators and shall serve as chairman of the arbitration tribunal. In the event the claimant(s) or respondent(s) or the first two Arbitrators shall fail to nominate or agree the joint nomination of an Arbitrator or the third Arbitrator within the time limits specified by the Rules, such Arbitrator shall be appointed promptly by the HKIAC. The arbitration tribunal shall have no authority to award punitive or other punitive-type damages. The award of the arbitration tribunal shall be final and binding upon the disputing parties. Any party to an award may apply to any court of competent jurisdiction for enforcement of such award and, for purposes of the enforcement of such award, the parties irrevocably and unconditionally submit to the jurisdiction of any court of competent jurisdiction and waive any defenses to such enforcement based on lack of personal jurisdiction or inconvenient forum.
(c) Notwithstanding the foregoing, the parties hereby consent to and agree that in addition to any recourse to arbitration as set out in Section 6.3(b), any party may, to the extent permitted under the rules and procedures of the HKIAC, seek an interim injunction or other form of relief from the HKIAC as provided for in its Rules. Such application shall also be governed by, and construed in accordance with, the laws of the State of New York.

Section 6.4 Notices. All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given (and shall be deemed to have been duly given upon receipt, provided that if such notice is not received during normal business hours, then on the next Business Day) by delivery in person, by electronic mail with a copy sent by another means specified in this Agreement, by telecopy or by registered or certified mail (postage prepaid, return receipt requested) to any part hereto at the following addresses or at such other address shall be specified by such party hereto in a notice given in accordance with this Section 5.4:

Section 6.5 Amendment. This Agreement may not be amended, modified or supplemented except by an instrument in writing signed by each member of the Buyer Consortium and each Shareholder.

Section 6.6 Extension; Waiver. The members of the Buyer Consortium acting jointly, on the one hand, and a Shareholder, on the other hand, may (a) extend the time for the performance of any of the obligations or other acts of the other party, (b) waive any inaccuracies in the representations and warranties of the other party contained in this Agreement or in any document delivered under this Agreement or (c) waive compliance with any of the covenants or conditions contained in this Agreement. Any agreement on the part of a party to any extension or waiver shall be valid only if specifically set forth in an instrument in writing signed by such party. The failure of any party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any right, power or privilege under this Agreement.

Section 6.7 Entire Agreement. This Agreement constitutes the sole and entire agreement of each Shareholder or any of its Affiliates, on the one hand, and members of the Buyer Consortium or any of their Affiliates, on the other hand, with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to such subject matter.

Section 6.8 No Third-Party Beneficiaries. This Agreement is for the sole benefit of, shall be binding upon, and may be enforced solely by members of the Buyer Consortium and each Shareholder and nothing in this Agreement, express or implied, is intended to or shall confer upon any person (other than members of the Buyer Consortium and each Shareholder) any legal or equitable right, benefit or remedy of any nature whatsoever.

Section 6.9 Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any party or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.
Section 6.10 **Rules of Construction.** The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party hereto by virtue of the authorship of any provisions of this Agreement.

Section 6.11 **Assignment.** Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by operation of Law (including, but not limited to, by merger or consolidation) or otherwise by any of the parties without the prior written consent of the other parties, provided that each member of the Buyer Consortium may assign its rights (but not obligations) to any of its Affiliates without the prior written consent of the other parties. Any assignment in violation of the preceding sentence shall be void. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties hereto and their respective successors and assigns.

Section 6.12 **Specific Performance.** The parties hereto agree that the obligations imposed on them in this Agreement are special, unique and of an extraordinary character and irreparable damage would occur if any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly each party to this Agreement (a) shall be entitled to an injunction or injunctions, specific performance and other equitable relief to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the forum described in Section 6.3, without proof of damages or otherwise, this being in addition to any other remedy at law or in equity, and (b) hereby waives any requirement for the posting of any bond or similar collateral in connection therewith. Each party hereto agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that (i) any other party has an adequate remedy at law or (ii) an award of specific performance is not an appropriate remedy for any reason at law or equity.

Section 6.13 **Shareholder Capacity.** Notwithstanding anything contained in this Agreement to the contrary, each Shareholder is signing this Agreement solely and only in such Shareholder’s capacity as Beneficial Owner of its Covered Shares and, accordingly, (i) the representations, warranties, covenants and agreements made herein by a Shareholder are made solely with respect to such Shareholder and its Covered Shares, (ii) nothing herein shall limit or affect any actions taken by such Shareholder in his capacity as a director or officer of the Company (or a Subsidiary of the Company), including participating in his capacity as a director or officer of the Company in any discussions or negotiations with the Buyer Consortium, and (iii) no action taken in good faith by such Shareholder in his capacity as a director or officer of the Company (or a Subsidiary of the Company) shall be deemed to constitute a breach of this Agreement. Nothing contained herein, and no action taken by such Shareholder pursuant hereto, shall be deemed to constitute the parties as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the parties hereto are in any way acting in concert or as a group with respect to the obligations or the transactions contemplated by this Agreement.

Section 6.14 **No Ownership Interest.** Nothing contained in this Agreement shall be deemed to vest in any member of the Buyer Consortium any direct or indirect ownership or incidence of ownership of or with respect to any Covered Shares. All rights, ownership and economic benefits of and relating to the Covered Shares shall remain vested in and belong to the relevant Shareholder, and members of the Buyer Consortium shall have no authority to direct such Shareholder in the voting or disposition of any of the Covered Shares, in each case, except to the extent expressly provided herein.
Section 6.15 **Costs and Expenses.** All costs and expenses (including all fees and disbursements of counsel, accountants, investment bankers, experts and consultants to a party) incurred in connection with this Agreement shall be paid by the party incurring such costs and expenses.

Section 6.16 **Counterparts.** This Agreement may be executed and delivered (including by electronic or facsimile transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

Dear Directors:

Tencent Holdings Limited, for itself or on behalf of its affiliates (collectively, “Tencent”) and Hammer Capital Opportunities Fund L.P., acting through its general partner Hammer Capital Opportunities General Partner (“Hammer”, together with Tencent, the “Consortium” or “we”) are pleased to submit this preliminary non-binding proposal to acquire all outstanding ordinary shares (the “Shares”) and American depository shares (“ADSs”, each representing one (1) Share) of Bitauto Holdings Limited (the “Company”) not already beneficially owned by members of the Consortium or their affiliates in a going private transaction (the “Transaction”).

Our proposed purchase price for each ADS is US$16 in cash. We believe that our proposal provides an attractive opportunity for the Company’s shareholders. Our proposed purchase price represents a premium of approximately 20.6% to the closing trading price of the ADSs on September 11, 2019, the last trading day prior to the date hereof and a premium of 36.1% to the volume-weighted average closing price during the last 30 trading days.

As of the date of this proposal, we, through our affiliates, have entered into certain support agreements with Mr. Bin Li, JD.com Global Investment Limited (“JD Global”) and Cox Automotive Global Investments, Inc. (collectively, the “Supporting Shareholders” and each, a “Supporting Shareholder”), who collectively beneficially own more than 48.5% of the total issued and outstanding Shares based on the Company’s public filings, pursuant to which each Supporting Shareholder has agreed to (i) vote all of the Shares and ADSs beneficially owned by it in favor of the Transaction and against any other transaction in competition or inconsistent with the Transaction, and, (ii) in the case of Mr. Bin Li and JD Global (collectively, the “Rollover Shareholders” and each a “Rollover Shareholder”), roll over some of its existing equity in the Company for the purposes of funding the Transaction.

Tencent currently beneficially owns 5,482,683 Shares, representing approximately 7.81% of the total issued and outstanding Shares. Hammer does not beneficially own any Share or ADS as of the date of this proposal.

The principal terms and conditions upon which the Consortium is prepared to pursue the Transaction are set forth below.

1. **Purchase Price**: We propose to acquire all of the outstanding Shares and ADSs, other than those beneficially owned by the Supporting Shareholders and to be rolled over for the purposes of funding the Transaction and those beneficially owned by us, at a purchase price equal to US$16 per Share (or the equivalent amount per ADS, as the case may be), in cash, based on the Company’s share capital set forth in the Company’s public filings.
2. **Financing.** We intend to finance the Transaction with a combination of new and rollover equity capital funded by members of the Consortium or their affiliates and the Rollover Shareholders. We do not anticipate requiring debt financing to consummate the Transaction.

3. **Due Diligence.** We are prepared to move expeditiously to complete the proposed Transaction as soon as practicable. We have engaged Latham & Watkins LLP as our legal counsel and believe that, with the full cooperation of the Company, we can complete customary commercial, legal, financial and accounting due diligence for the Transaction, in a timely manner and in parallel with discussions on the definitive agreements. We would like to ask the Board to accommodate such due diligence request and approve the provision of confidential information relating to the Company and its business subject to a customary form of confidentiality agreement.

4. **Definitive Documentation.** Assuming our satisfaction with the results of our due diligence investigation, we are prepared to promptly negotiate and finalize the definitive agreements (the “Definitive Agreements”) providing for the Transaction and for the rollover by Tencent and the Rollover Shareholders. This proposal is subject to the execution of the Definitive Agreements. We expect that such Definitive Agreements with respect to the Transaction will contain representations, warranties, covenants and conditions which are typical, customary and appropriate for transactions of this type.

5. **Process.** We believe the Transaction will provide superior value to the Company’s public shareholders. We recognize that the Board will evaluate the Transaction independently before it can make its determination to endorse it. Given the involvement of Tencent and the Supporting Shareholders, we expect that the independent, disinterested members of the Board will proceed to consider the proposed Transaction. In considering this proposal, you should be aware that we are interested only in pursuing the Transaction and we do not intend to sell our stake in the Company to any third party.

6. **Possible Unconditional Mandatory General Offer.** Based on public filings, the Company currently beneficially owns approximately 43.74% of the total issued shares of Yixin Group Limited (“Yixin”), a company incorporated in the Cayman Islands whose issued shares are currently listed on the Main Board of The Stock Exchange of Hong Kong Limited (the “HKSE”) (stock code: 2858). Upon completion of the Transaction, there will be a change in statutory control in the Company whereby the Consortium will acquire control (as defined under the Hong Kong Code on Takeovers and Mergers (the “Takeovers Code”)) of Yixin. The Consortium, having consulted with the Executive Director of the Corporate Finance Division of the Securities and Futures Commission of Hong Kong (the “Executive”), will be required to make an unconditional mandatory general offer to all the shareholders and other securities holders of Yixin for all the issued Shares and other securities of Yixin (other than those already owned or agreed to be acquired by the Consortium or parties acting in concert with it) upon completion of the Transaction pursuant to Note 8 to Rule 26.1 of the Takeovers Code (the “Possible Offer”). As part of the arrangements between the Consortium and JD Global in support of the Transaction, the Consortium has also entered into a deed of irrevocable undertaking with JD Financial Investment Limited (“JD Financial”) in connection with the Possible Offer pursuant to which JD Financial has undertaken, among other things, not to accept the Possible Offer in respect of any shares of Yixin owned by it or make any such shares available to acceptance under the Possible Offer provided that the offer price per share for the Possible Offer does not exceed HK$2.00.
In light of the above, please inform the board of directors of Yixin forthwith of the receipt of this letter, the Transaction and the Possible Offer, forwarding the enclosed draft Rule 3.7 Announcement (as defined below) and including the reminders and requests as follows:

The Possible Offer is subject to the Takeovers Code. It is contemplated that an announcement pursuant to Rule 3.7 of the Takeovers Code (the “Rule 3.7 Announcement”) will be issued by Yixin in respect of the Possible Offer shortly after receipt of this letter by the Company, a draft of which is enclosed. The enclosed draft Rule 3.7 Announcement has been submitted to the Executive for its review on a confidential basis. We would like to remind the Company and Yixin generally of the duties and obligations under the Takeovers Code, the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and applicable laws and regulations in relation to the Possible Offer. In particular, Rule 1.4 of the Takeovers Code stresses the vital importance of secrecy before any announcement is made. In addition, following the receipt of this letter, it may be necessary for Yixin to consider maintaining a suspension of trading in Yixin’s shares on the HKSE pending the release of the Rule 3.7 Announcement. To the extent Yixin is reasonably able to do so, we would expect Yixin to consult with us as to the timing and content of any announcement to be made by Yixin in relation to the Possible Offer.

7. Confidentiality. Tencent will, as required by law, promptly file an amendment to its Schedule 13D to disclose this proposal. However, we are sure you will agree with us that it is in all of our interests to ensure that we proceed in a confidential manner, unless otherwise required by law, until we have executed Definitive Agreements or terminated our discussions.

8. No Binding Commitment. This proposal is not a binding offer, agreement or an agreement to make a binding offer. This letter is a preliminary indication of interest by the Consortium and does not contain all matters upon which agreement must be reached in order to consummate the proposed Transaction, nor does it create any binding rights or obligations in favor of any person. A binding commitment will result only from the execution of Definitive Agreements, and then will be on the terms and conditions provided in such documentation.

In closing, the Consortium would like to express its commitment to working together to bring this proposed Transaction to a successful and timely conclusion. Should you have any questions regarding this proposal, please do not hesitate to contact us. We look forward to hearing from you.

Sincerely,
By: /s/ Ma Huateng

NON-BINDING PROPOSAL LETTER RECEIVED BY THE CONTROLLING SHAREHOLDER OF THE COMPANY

The Board has been notified by Bitauto, the controlling shareholder of the Company, that its board of directors received the Proposal Letter from the Consortium in relation to the Proposed Transaction on [●] 2019. The Proposed Transaction is subject to the execution of definitive agreements between the Consortium and Bitauto. For details of the Proposed Transaction, please refer to the announcement of Bitauto dated [●] 2019 which can be retrieved from [link].

In the event that the Proposed Transaction materializes, there will be a change in statutory control in Bitauto upon completion of the Proposed Transaction whereby the Consortium will acquire control (as defined under the Takeovers Code) of the Company. The Consortium, having consulted with the Executive, will be required to make the Possible Offer to the Shareholders and other securities holders of the Company for all the issued Yixin Shares and other securities of the Company (other than those already owned or agreed to be acquired by the Consortium or the parties acting in concert with it) upon completion of the Proposed Transaction pursuant to Note 8 to Rule 26.1 of the Takeovers Code.
According to the Proposal Letter, the Consortium proposes to acquire the outstanding Bitauto Shares and ADSs at a non-binding purchase price equal to US$[●] per Bitauto Share (or the equivalent amount per ADS, as the case may be) in cash. Such purchase price is subject to change and the final purchase price may be a higher or lower amount. The offer price for the Yixin Shares under the Possible Offer shall be determined in accordance with the applicable requirements under the Takeovers Code by applying the Pacpo Formula in Practice Note 19 issued by the Executive. Such determination will take into account, among other things, the net asset value (after deduction of non-controlling interest) of each of Bitauto and the Company which are subject to adjustments and verification by the financial advisor to the Proposed Offeror and the final offer price for the Proposed Transaction. The offer price for the Yixin Shares under the Possible Offer will be confirmed and announced by the Proposed Offeror in the announcement of a firm intention to make an offer under Rule 3.5 of the Takeovers Code.

[As informed by Bitauto, the Proposal Letter is non-binding in nature and no decisions have been made with respect to Bitauto’s response to the Proposal Letter, and there is no assurance that any definitive offer will be made, that any definitive agreement will be executed or that the Proposed Transaction will be approved or consummated.]

“Responsibilities of stockbrokers, banks and other intermediaries

Stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates of an offeror or the offeree company and other persons under Rule 22 and that those clients are willing to comply with them.
