CALCULATION OF REGISTRATION FEE

Title of Securities to be Registered⁽¹⁾	Amount to be Registered⁽²⁾	Proposed Maximum Offering Price Per Share	Proposed Maximum Aggregate Offering Price	Amount of Registration Fee
Class A Ordinary Shares, par value \$0.00002 per share	174,065,711 ⁽³⁾	\$ 12.2225 ⁽³⁾	\$ 2,127,518,153	\$ 257,855.20

(1) These shares may be represented by the Registrant's American depositary shares ("ADSs"), each of which represents two Class A ordinary shares of the Registrant. The Registrant's ADSs issuable upon deposit of the Class A ordinary shares registered hereby have been registered under separate registration statements on Form F-6 (File No.: 333-195849 and File No.: 333-200954).

- (2) Pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the “**Securities Act**”), this registration statement also covers an indeterminate number of additional shares which may be offered and issued to prevent dilution from share splits, share dividends or similar transactions as provided in the Plan. Any Class A ordinary shares covered by an award granted under the Plan (or portion of an award) that terminates, expires or lapses for any reason will be deemed not to have been issued for purposes of determining the maximum aggregate number of Class A ordinary shares that may be issued under the Plan.
- (3) These shares represent ordinary shares that have been and will be added to the award pool at the beginning of each of 2018 through 2023 pursuant to an “evergreen” provision in the Share Incentive Plan (the “**Plan**”), and are reserved for future award grants under the Plan. The corresponding proposed maximum offering price per share, which is estimated solely for the purposes of calculating the registration fee under Rule 457(h) and Rule 457(c) under the Securities Act, is based on US\$24.445 per ADS, the average of the high and low prices for the Registrant’s ADSs as quoted on the Nasdaq Global Select Market on February 21, 2019.

Explanatory Note

JD.com, Inc. (the “**Registrant**”) filed a registration statement on Form S-8 with the Securities and Exchange Commission (the “**Commission**”) on September 5, 2014 to register the maximum number of Class A ordinary shares issuable upon exercise of options and pursuant to other awards granted under the Plan as of the filing date, except for the Class A ordinary shares issued under the Plan that had been previously registered or were exempted from registration.

As the Plan contains an “evergreen” provision that the maximum number of Class A ordinary shares issuable under the Plan increases by a number equal to 1% of the total number of outstanding shares as of the last day of the immediately preceding fiscal year on the first day of each fiscal year during its term starting from January 1, 2018, this registration statement on Form S-8 is therefore filed by the Registrant to register the additional Class A ordinary shares issuable under the Plan as a result of the increase of maximum number of shares on January 1, 2018 and 2019, as well as the estimated increases as of January 1, 2020, 2021, 2022 and 2023.

- a) The Registrant’s annual report on Form 20-F, as amended, originally filed with the Commission on April 27, 2018 pursuant to Section 13(a) of the Securities Exchange Act of 1934 (the “**Exchange Act**”); and

Any statement in a document incorporated or deemed to be incorporated by reference in this registration statement will be deemed to be modified or superseded to the extent that a statement contained in this registration statement or in any other later filed document that also is or is deemed to be incorporated by reference modifies or supersedes such statement. Any such statement so modified or superseded will not be deemed, except as so modified or superseded, to be a part of this registration statement.

Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

Cayman Islands law does not limit the extent to which a company's articles of association may provide for indemnification of directors and officers, except to the extent any such provision may be held by the Cayman Islands courts to be contrary to public policy, such as to provide indemnification against civil fraud or the consequences of committing a crime. The Registrant's amended and restated articles of association, adopted by its shareholders on March 6, 2014, provides that the Registrant shall indemnify each of its directors and officers against all actions, proceedings, costs, charges, expenses, losses, damages or liabilities incurred or sustained by such director or officer, other than by reason of such person's own dishonesty, willful default or fraud, in or about the conduct of the Registrant's business or affairs (including as a result of any mistake of judgment) or in the execution or discharge of his duties, powers, authorities or discretions, including without prejudice to the generality of the foregoing, any costs, expenses, losses or liabilities incurred by such director or officer in defending (whether successfully or otherwise) any civil proceedings concerning the Registrant or its affairs in any court whether in the Cayman Islands or elsewhere.

Pursuant to the indemnification agreements, the form of which was filed as Exhibit 10.2 to the Registrant's registration statement on Form F-1, as amended (File No. 333-193650), the Registrant has agreed to indemnify its directors and executive officers against certain liabilities and expenses incurred by such persons in connection with claims made by reason of their being such a director or officer.

Two Underwriting Agreements, the form of which were filed as Exhibit 1.1 to the Registrant's registration statement on Form F-1, as amended (File No. 333-193650) and as Exhibit 1.1 to the Registrant's registration statement on Form F-1, as amended (File No. 333-200450) respectively, also provide for indemnification by the underwriters of the Registrant and its directors and officers for certain liabilities, including liabilities arising under the Securities Act, but only to the extent that such liabilities are caused by information relating to the underwriters furnished to the Registrant in writing expressly for use in such registration statements and certain other disclosure documents.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

The Registrant also maintains a directors and officers liability insurance policy for its directors and officers.

Item 7. Exemption From Registration Claimed

Not applicable.

Item 8. Exhibits

See the Index to Exhibits attached hereto.

Item 9. Undertakings

a) The undersigned Registrant hereby undertakes:

1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement; and

iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to that information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed

with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement;

- 2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 - 3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

28 February 2019

Dear Sirs

JD.com, Inc. (the "Company")

We have acted as Cayman Islands legal counsel to the Company in connection with a registration statement on Form S-8 to be filed with the Securities and Exchange Commission (the "**Commission**") on 28 February 2019 (the "**Registration Statement**") relating to the registration under the United States Securities Act of 1933, as amended, (the "**Securities Act**") of 174,065,711 Class A ordinary shares, par value US\$0.00002 per share (the "**Shares**"), issuable by the Company upon the exercise of options and pursuant to other awards granted under the Share Incentive Plan of the Company (the "**Plan**").

For the purposes of giving this opinion, we have examined copies of the Registration Statement and the Plan. We have also reviewed copies of the amended and restated memorandum and articles of association of the Company adopted by special resolution passed on 6 March 2014 and effective immediately prior to the completion of the Company's initial public offering of its Class A ordinary shares represented by American Depositary Shares (the "**Memorandum and Articles**"), the written resolutions of the board of directors of the Company dated 20 December 2013, the minutes of the meetings of the board of directors held on 14 August 2014 and 25 February 2019, and the written resolutions of the shareholders of the Company dated 17 January 2014 (the "**Resolutions**").

Based upon, and subject to, the assumptions and qualifications set out below, and having regard to such legal considerations as we deem relevant, we are of the opinion that:

1. The Shares to be issued by the Company and registered under the Registration Statement have been duly and validly authorized.
2. When issued and paid for in accordance with the terms of the Plan and in accordance with the Resolutions, and appropriate entries are made in the register of members (shareholders) of the Company, the Shares will be validly issued, fully paid and non-assessable.

In this opinion letter, the phrase "non-assessable" means, with respect to the issuance of Shares, that a shareholder shall not, in respect of the relevant Shares, have any obligation to make further contributions to the Company's assets (except in exceptional circumstances, such as involving fraud, the establishment of an agency relationship or an illegal or improper purpose or other circumstances in which a court may be prepared to pierce or lift the corporate veil).

These opinions are subject to the qualification that under the Companies Law (2018 Revision) of the Cayman Islands, the register of members of a Cayman Islands company is by statute regarded as *prima facie* evidence of any matters which the Companies Law (2018 Revision)

directs or authorises to be inserted therein. A third party interest in the shares in question would not appear. An entry in the register of members may yield to a court order for rectification (for example, in the event of fraud or manifest error).

These opinions are given only as to, and based on, circumstances and matters of fact existing and known to us on the date of this opinion letter. These opinions only relate to the laws of the Cayman Islands which are in force on the date of this opinion letter. We express no opinion as to the meaning, validity or effect of any references to foreign (i.e. non-Cayman Islands) statutes, rules, regulations, codes, judicial authority or any other promulgations.

We have also relied upon the assumptions, which we have not independently verified, that (a) all signatures, initials and seals are genuine, (b) copies of documents, conformed copies or drafts of documents provided to us are true and complete copies of, or in the final forms of, the originals, (c) where a document has been provided to us in draft or undated form, it will be duly executed, dated and unconditionally delivered in the same form as the last version provided to us, (d) the Memorandum and Articles remain in full force and effect and are unamended, (e) the Resolutions were duly passed in the manner prescribed in the memorandum and articles of the Company in force at the relevant time and have not been amended, varied or revoked in any respect, and (f) upon the issue of any Shares, the Company will receive consideration which shall be not less than the par value of such Shares.

We consent to the use of this opinion as an exhibit to the Registration Statement and further consent to all references to us in the Registration Statement and any amendments thereto. In giving such consent, we do not consider that we are “experts” within the meaning of such term as used in the Securities Act, or the rules and regulations of the Commission issued thereunder, with respect to any part of the Registration Statement, including this opinion as an exhibit or otherwise.

Yours faithfully
