Entry into Sale and Purchase Agreement and Possible Mandatory Conditional Cash Offers to Acquire CNLP

On September 1, 2021, JD Property Group Corporation (“**JD Property**”), an indirect non-wholly owned subsidiary of JD.com, Inc. (the “**Company**”), entered into a sale and purchase agreement (the “**Agreement**”) with Mr. Li Shifa, the chairman and executive director of China Logistics Property Holdings Co., Ltd (“**CNLP**”), and Yupei International Investment Management Co., Ltd (“**Yupei International**”), a company 90% owned indirectly by Mr. Li Shifa, pursuant to which Yupei International has conditionally agreed to sell, and JD Property has conditionally agreed to acquire, 916,488,000 shares of CNLP, representing approximately 26.38% of the issued share capital of CNLP, for a total consideration of HK\$3,986,722,800 in cash, representing a value of HK\$4.35 per share (the “**Transaction**”). CNLP is principally engaged in the leasing of storage facilities and the related management services in the PRC and listed on the Main Board of the Hong Kong Stock Exchange under the stock code 1589.

Completion of the Transaction (“**Completion**”) is subject to certain closing conditions and procedures (including regulatory approvals). Upon Completion, JD Property and parties acting in concert with it will become interested in 1,286,011,999 shares of CNLP, representing approximately 37.02% of the issued share capital of CNLP.

Subject to and upon Completion, JD Property will be required pursuant to the Hong Kong Code on Takeovers and Mergers to (i) make an offer for all the issued shares of CNLP (other than those already owned or agreed to be acquired by JD Property and/or parties acting in concert with it) at HK\$4.35 in cash per share (the “**Share Offer**”); and (ii) make an offer for all the outstanding convertible bonds of CNLP (other than those already owned by JD Property and/or parties acting in concert with it) at HK\$1,459,729.50 in cash, based on a conversion price of HK\$2.98, for every HK\$1,000,000 face value of the 2024 Convertible Bonds and HK\$1,412,336.25 in cash, based on a conversion price of HK\$3.08, for every HK\$1,000,000 face value of the 2025 Convertible Bonds (the “**Convertible Bond Offer**”, together with the Share Offer, the “**Offers**”). The offer prices under the Convertible Bond Offer are for illustrative purpose only and subject to change, depending on the date of Completion and other mechanism set forth in the convertible bonds documents. The maximum cash consideration for the Offers and the Transaction will be approximately HK\$16,395,280,462.

The Share Offer, if and when made, will be conditional upon JD Property having received valid acceptances which, together with the shares owned, acquired or agreed to be acquired by JD Property and parties acting in concert with it before or during the Share Offer, will result in JD Property and parties acting in concert with it holding more than 50% of the voting rights of CNLP. The Convertible Bond Offer will be conditional upon the Share Offer becoming or being declared unconditional in all respects. Certain holders of CNLP shares and convertible bonds have given irrevocable undertakings in favor of JD Property to accept the Offers in respect of their respective shares and convertible bonds of CNLP, which in aggregate represent approximately 29.38% of the shares of CNLP and 55.41% of the total outstanding principal amount of the 2024 Convertible Bonds.

In accordance with the Companies Act (2021 Revision) of the Cayman Islands and the Hong Kong Code on Takeovers and Mergers, if JD Property has, within four months of posting of the composite offer document in relation to the Offers, received valid acceptances of not less than 90% of the shares that are subject to the Share Offer and not less than 90% of the disinterested shares, JD Property will privatize CNLP by exercising its squeeze-out right, after which CNLP will become a wholly-owned subsidiary of JD Property and an application will be made for the de-listing of the shares of CNLP from the Hong Kong Stock Exchange.

The Company and JD Property believe they would be compelling strategic partners for CNLP to capture various attractive growth opportunities and unlock value through the unique combination of their businesses, capabilities and resources. As JD Property and CNLP share similar business models, the Company and JD Property believe that attaining 50% or more of the voting rights in CNLP will facilitate the integration of the resources of CNLP and JD Property, which will in turn further enhance the business growth and financial prospects of CNLP and JD Property.

See “Safe Harbor Statement” below for the risks and uncertainties for the Transaction and/or the Offers, including risks and uncertainties on the timing of the consummation of the Transaction and Offers and the risk that a condition to closing of the Transaction or a condition to the Offers may not be satisfied or may be delayed.
